## Robin Raybuck

Robin Raybuck has dedicated her entire career to helping people move forward in their careers. Robin is Vice President of CareerCurve, a career transition firm, for over twenty years in her own business, Robin Raybuck & Associates. Her enthusiastic and compassionate approach helps motivate people to tune into their strengths and take charge of their careers. Robin began her outplacement career in 1983 where she managed a Career Center at U.S. Steel for over 2000 employees at all levels. In addition, Robin was a Partner of EnterChange for eight years following her work as a Consultant with DBM for four years. Robin continues to lecture to various job search groups. As a native Ohioan, Robin completed her Bachelor's Degree at Otterbein College and Master's Degree and some doctoral work in Administration and Counseling at Case Western Reserve University. Robin has been an active member in the Cleveland Society of Human Resource Management and The Human Resources Leadership Group for many years.

### ACCOMPLISHMENTS

Robin feels that having her own successful career transition business for 24 years is her biggest professional accomplishment. It pales in comparison to choosing a terrific husband, having two wonderful grown children, and four beautiful grandchildren! Her son, Scott, was recently honored by Crains Cleveland Business as one of 40 under 40 years old for business success. Her daughter, Kristin, is HR Director of a large, local Insurance Company. Life is GOOD!

### FAVORITE QUOTE

"The future belongs to those who believe in the beauty of their dreams."  
- Eleanor Roosevelt

### BEST ADVICE

Robin believes that people should try to believe in themselves, set goals, and GO FOR IT!
